

## Guidelines for Completing Applications for QC Scholarships

### APPLICANT REQUIREMENTS

- Applicants must be regular members of Quilters' Connection.
- Applicants must plan to enroll in a multi-day, traditional or contemporary, quilt related course which will expand their knowledge of quilting. Courses in design, color, surface design, innovative fiber, textile construction, textile or quilt history, quilt appraisal, and textile conservation are eligible for scholarship awards. (A list of recommended venues for courses is below.)
- Members who are awarded a scholarship are required to share their experience with the membership. This can be through an article in *Quiltations*, or through a talk or workshop.
- Members who receive a scholarship are not eligible for another scholarship opportunity for five years.
- If the member is deriving income from a school or conference, s/he is not eligible for a scholarship.
- Members of the scholarship committee may apply for a scholarship, but may not be a part of the decision making process for awards.
