

CARING COMMITTEE

The Caring Committee sends cards to individual members at times of personal challenges (e.g., illness and recovery), personal losses (e.g. death in the family), and personal quilt-related accomplishments (e.g., prizes, awards and other outside recognition).

QC urges members to contact the Chair of the Caring Committee with information about personal events in other members' lives that call for recognition by the guild. The Committee also welcomes suggestions regarding what sort of occasions should be recognized by the guild.
