Dick Blick

Assorted brushes - watercolor and natural bristle stencil brushes
Xacto knife
Textile paints-
 Jacquard Dye-na-Flow 2.25oz @\$2.95 x 3 = \$8.85
 Jacquard – 2.25oz @\$2.74 x 3 = \$8.22
Shiva Paint Sticks – 1 or 2 iridescent colors @ \$5.33
Holbien Watercolor Atomizer bottles - 3

Fabric Store

4 yards fabric - 2 yards base fabric for vest, 2 yards for the lining
 I often use the same fabric
Coordinating scraps from your quilt projects
Fusible interfacing – I like Steam-a-seam 2

From CherScapes I will bring these items for you to purchase from me

Jones Tones Foil
Craft Foam
Foam Core
Erasers
Steam a Seam 2
Stencil film

Buy paint colors and paint sticks that coordinate with the fabric you are bringing. Because this is a one-day workshop, I am only having you buy 3 colors. But you can get more if you'd like. It is my understanding that you will be sitting 2 to a table. If you want to figure out ahead of time who you will be sitting next to, you could each buy different colors and share them. If you already have textile paints of another brand, you could bring those. I personally use Pro Fab textile paints from Pro Chemical and Dye, as well as Setta colors and Setta Silk. But the Jacquard are less expensive if you are just starting out and not sure if you will continue beyond the workshop.

Please call me if you have any questions.
