

QC-ACA EXHIBITS LIAISON

The QC-ACA Exhibits Liaison secures exhibitors for the third floor classroom area at the Arsenal Center for the Arts, from September through May. Exhibitors must be members of QC and may volunteer to be considered for showing their work at any time by submitting slides, electronic files or photographs to the Liaison. Exhibits remain up for periods of two months and will coincide with the QC meeting dates: September/November, November/January, January/March and March/May.

The Liaison contacts a member of the ACA Board periodically regarding the arrangements for exhibitions, sends the Lending Agreement to the artists, reminds the artists regarding their Agreement and delivery and pick up dates, and should be present to facilitate the delivery and return of quilts to the artists at the September, November, January, March and May meetings.

At the Annual Quilt Show, the Liaison should make arrangements to visit the show with a board member from the Arsenal Center for the Arts to select members to invite as exhibitors for the following year.
