

QC LIBRARY COMMITTEE

QC owns a small circulating library of books, periodicals and AV materials on quilting and quilt-related subjects. Library materials are held in a locked storage area at the Arsenal Center for the Arts, and are brought out for browsing and borrowing at monthly guild meetings. All materials circulate to members for one month or over the summer.

The Chair of the Library Committee, assisted by several member volunteers, is responsible for determining library policy, informing the membership about current library matters, acquiring new materials, and overseeing the use and maintenance of the library.
