Note for Workshop Class Assistant:

2 Irons

2 Ironing Boards

Velda Newman
Texture and Form (1-2 Day Technique Class)

All levels:

(Book reference, A Workshop with Velda Newman, C&T Publishing)

Nature is an endless source of beauty and inspiration. With this in mind, learn how to get rid of the 'flat' look and turn your fabric into something interesting! Students will create texture by learning simple machine techniques which can be used for quilts or clothing. The samples you create the first day will be used as a basis of painting techniques the second day. (Some QC members will not take two days' worth of this class)

STUDENT SUPPLY LIST

All fabrics for this class need to be SOLIDS or HAND-DYED COTTONS!

½ yard cheese cloth (found in grocery stores)

One yard of thin cotton batting

½ yard dark brown fabric

2 yards pale yellow fabric

1 yard of white fabric

½ yard of medium yellow fabric

½ yard cotton duck or canvas, medium weight, natural color (or muslin), pre-washed

3 or 4 bobbins filled with natural thread

Threads to match fabrics

One 2" paint brush (inexpensive) found at paint/craft/hardware stores

Paint brushes for acrylic paint: the ½" flat and medium sized round are good choices

Fabric marker: black fine tip

WHITE or CLEAR plastic drop cloth

2-3 WHITE plastic or Styrofoam plates

Purple disappearing pen (air)

Paper towels and apron

Spray bottle

14" hoop for painting techniques (about \$3 in craft stores)

Basic sewing supplies

SEWING MACHINE WITH FREE MOTION FOOT, in good working order

Hair dryer (share with friends)

2 small containers for water

\$15 lab fee (includes pattern and paints)
