

Winter Free Workshop – February 9, 2019

Jane Norberg --- Comfort Quilts --- AM PM

We will have lots of kits (quilt and pillow case and more) for people with sewing machines. but also lots of things that people without machines can do: hand sewing projects (quilts to finish hand sewing binding) and quilts to tie (up on tables - sewing square knots), as well as kits to create into baggies - even blocks to color with crayons. Something for everyone!!

People can come for an hour , two, or all day!!! We would love their participation. We will have extra mats , cutters, rulers; we will have needles, thread, scissors. We might even have extra sewing machines! So just come!

Comfort Quilts events - sewing, sharing, planning schmoozing, stuffing, and everything in between.
